## Pool News

The last day of swimming for the 2018 season was Sunday, September 23. This first season has been wonderful! Only 2 broken chairs, a couple of people who seemed agile enough to jump the fence a few times, and only a few things in the lost and found. Pool opening for 2019 will be Memorial Day weekend.

## Irrigation Water:

Boise/Kuna Irrigation announced the irrigation water will be shut off for the season on October 9th. This is a typical shut-off date for the system.

Each homeowner is responsible for blowing out their own systems. Why blow them out? The water that remains in your sprinkler pipes

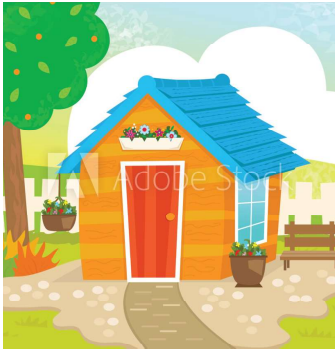

## Pets:

Remember to keep your dogs on a leash when not confined to your property.

may freeze during the winter, and the water in the pipes can expand and break the pipe. You won't know until the spring when you turn on your system and find your yard flooded.

Please contact any one of the landscapers around the area to blow out the sprinklers.
