January 2021

Issue #27

## General News

1. HOA Association dues and the 2021 budget were sent out the week of Christmas by mail. Please note that we cannot accept credit or debit cards.
2. The irrigation retention pond, waterfalls, and front landscaping berms are not play areas. Please keep kids off these areas.
3. Homeowners are responsible for clearing snow off their sidewalks. Please do not throw the snow into the street!
4. Ice Melt can damage concrete - even the brands that say they are safe for concrete! Please avoid spreading it on your walkways and patios to avoid chipping and cracking. Good alternatives are sand and kitty litter.

"A common mistake that people make when trying to design something completely foolproof is to underestimate the ingenuity of complete fools."

~Douglas Adams

## Irrigation Retention Pond

*It has come to the attention of the Board and the management company that certain individuals have entered common areas, including ponds, despite signs and rules restricting such entry. Such unauthorized entry could result in significant injury, which we all want to avoid. Of course, anyone who trespasses into these areas does so at their own risk and may be subject to prosecution. Let's work together to ensure that these issues do not happen.*

## CCR Reminders

1. Recycling and garbage cans need to be kept behind your fence or in your garage on non-collection days.
2. RVs, trailers, boats, etc cannot be parked on the street or your driveway.
3. ACC forms are available if you want to put up a shed, pergola, etc in your backyard. In-ground flagpoles also need approval. Please email the office.
