## CCR Reminders

1. Recycling and garbage cans need to be kept behind your fence or in your garage on non-collection days.
2. RVs, trailers, boats, etc cannot be parked on the street or your driveway.
3. ACC forms are available if you want to put up a shed, pergola, etc in your backyard. In-ground flagpoles also need approval. Please email the office.

## POOL NEWS

**1. If you are sick (fever, headache, vomiting, etc) DO NOT COME TO THE POOL. Babies must wear the swimmer pants over diapers. We have already had to shut down a few times this year because of feces and vomit in the pool.**

### **2. SHOWER BEFORE GETTING IN THE POOL**

4. Rules reminders:

a. Children under 13 years old need an adult with them at the pool. We had many problems last summer with unsupervised children. Please contact the pool committee if you see kids at the pool without an adult.

b. We also had issues with kids deliberately breaking furniture. Again, contact the pool committee if you see this kind of activity.

c. No music except with headphones, no glass containers, food, drink, alcohol, or tobacco.

NOTE: Please pick up after yourself. If you see misbehavior at the pool by kids, talk to them. Report bio-incidents (puke, blood, feces) to the pool committee. Any community member is welcome to close and take down the umbrellas when storms roll through. This is your community pool, please take care of it. Contracted maintenance comes out 3-4 days per week to clean the pool and the bathrooms.
