Development News

We are excited to announce that the northwest corner of the development originally designated as a school site, has been approved by the city of Kuna for a municipal park! The approximately 8-acre parcel will have a covered picnic area, playground equipment, a sports field (for soccer, lacrosse, etc), and a basketball court. The design phase is starting now, with a plan to dedicate it to the City of Kuna in the spring of 2020
