3. Rules reminders:
 - a. Children under 13 years old need an adult with them at the pool. We had many problems last summer with unsupervised children. Please contact the pool committee if you see kids at the pool without an adult.
 - b. We also had issues with kids deliberately breaking furniture. Again, contact the pool committee if you see this kind of activity.
 - c. If you are sick (fever, headache, vomiting, etc) DO NOT COME TO THE POOL. Babies must wear the swimmer pants over diapers - we had a contamination last year that shut the pool down for a few days.
 - d. No music except with headphones, no glass containers, food, drink, alcohol, or tobacco.
4. New furniture has been purchased! 12 commercial loungers and 4 commercial umbrellas are on their way.
