Annual HOA Meeting

Thursday, May 6th

6PM

Magellan Pool

Social distancing and masks are encouraged

Bring a chair!

Here is a handy tutorial on picking up after your dog:

1. Bring bags with you on walks
2. Pick up poo with the bags
3. Throw the bag of poo away at your home.

Please do not yell at people (children especially!) or follow people berating them for not picking up their dog's poo. And do not threaten to smear the poo on people's doors.

We would like to thank Tammi Colbert for her 2 years of Pool Committee volunteering! We will miss her valuable contributions to the committee.

4. Rules reminders:

a. Children under 13 years old need an adult with them at the pool. We had many problems last summer with unsupervised children. Please contact the pool committee if you see kids at the pool without an adult.

b. We also had issues with kids deliberately breaking furniture. Again, contact the pool committee if you see this kind of activity.

c. If you are sick (fever, headache, vomiting, etc) DO NOT COME TO THE POOL. Babies must wear the swimmer pants over diapers - we had a contamination last year that shut the pool down for a few days.

d. No music except with headphones, no glass containers, food, drink, alcohol, or tobacco.

5. New furniture has been purchased! 12 commercial loungers and 4 commercial umbrellas are on their way.

6. The new pool on Rio Chico will open later this summer.
